

**EXPERTS IN:**

**International Moves**

Integral service to transport your goods to any part of the world. Including services of origin with top quality packaging, international air freight, maritime or terrestrial, destination services and insurance coverage from house to house.

**National Moves**

Door to door transport of your goods throughout Chile. The service includes the packing of all your items, the transfer in Ward Van Lines trucks, the unpacking, the assembly and location of the furniture and the removal of the material.

**OTHER SERVICES**

**Office and Corporate Building Moves**

In Ward Van Lines we have broad experience moving offices, interfering as little as possible with your commercial and industrial activities.

**Storage**

Ward Van Lines helps you to solve your whole or partial storage needs, you can store home or office furniture in the short, medium and long term.

**Packing**

In Ward Van Lines we offer you specialized packing for transportation and storage, using the best materials and most appropriate containers for every item.

**Pet Transport**

This service is individually quoted and it is independent from your household moving. We can offer hotel, feeding and vet supervision services at every moment.

**Works of Art**

In Ward Van Lines we provide highly specialized packing, moving and unpacking services for unique pieces, collections or complete exhibitions. We have implemented all the necessary elements to protect paintings, sculptures and objects, from any environmental aggressions.

**Furniture Rental**

In House 360°, we offer you furniture rental packages for your home, from very traditional styles to the most contemporary ones, delivering in 48 hours, either for a short or long term project.

**Relocation Services**

We offer relocation services through LARM. We will help you settle quickly in a different country with a new culture and customs, from introducing you to the idiosyncrasy, to finding streets, a home, schools and much more.

**ABOUT WARD VAN LINES**

We are a family-owned company with more than 46 years of experience providing national and international moving services.

Ward Van Lines was founded on February 25, 1969, with only a few staff members and a couple of trucks. Today we manage the whole Ward Van Lines Group of Companies: Ward Van Lines, House 360° and Larm, with more than 130 people working hard to deliver services of the highest quality.

We have become the most prestigious local and international moving company in Chile, with offices located in Santiago and the most important ports: Valparaíso and San Antonio.

Under the direction of the General Manager, Sebastián Laporta V., we serve more than 2,000 multinational and global companies, delivering the best possible price – quality ratio relationship in the market.

**MISSION**

We don't move objects, we move feelings, delivering global relocation solutions that assure confidence and peace of mind to our customers.

**VISION**

In Ward Van Lines we strive to keep be always consistent with what we do while we project ourselves into the future, through permanent innovation, as the best company in Latin America.

**ORGANIZATIONAL VALUES**

**Trust**

We build trust by valuing and respecting our customers, partners and suppliers, encouraging an honest and direct communication in all relationships that we establish.

**Integrity**

We value honesty and project ourselves as loyal, committed people, always maintaining our integrity and ethical standards.

**Excellence**

We deliver excellence, giving our best in our work, always seeking to exceed the expectations of our clients.

**Improvement**

We constantly seek improvement, learning from our mistakes to be better every day, and to innovate through our actions to maintain our leadership and the preference of our clients.
